

Viguié Schmidt & Associés announces Tanguy Grimald as partner and pursues its expansion.

Tanguy Grimald advises companies, executives, shareholders and investors on strategic acquisitions, sales, partnerships and build-ups. He also has expertise in listed company law, particularly in relation to takeover bids and corporate governance.

Tanguy Grimald has recently been involved in transactions such as the simplified takeover bid for Somfy Group shares and the acquisition of Blampin Group by the Italian listed company Orsero.

"It is a great honor to be appointed as a partner at Viguié Schmidt & Associés, where I have been evolving for several years and with whom I share values and ambition. I am delighted to contribute to the development of the M&A practice alongside the firm's partners," comments Tanguy Grimald.

Tanguy Grimald's partnership strengthens the M&A team's ability to assist clients with their most complex issues, utilizing high-level and specialized teams. He becomes the 6th partner with a transactional practice within the firm.

"Tanguy's co-option is a recognition of his professional qualities and his ambition alongside us. Following Daniel Villey's arrival, it shows our commitment to boost our transactional practice," says Louis Chenard, partner.
